#### SILVER LAKE WORK GROUPS – CIRCLE COMMONS

Silver Lake is in the process of constructing the new meeting building for Cabin Circle called "Circle Commons". Longtime Silver Laker Bruce Cast is leading this volunteer-built project and will be coordinating the work weekends and rallying the work force. We want you to be a part of this! Skilled and non-skilled help will be welcome. The goal is to get this building ready to use by mid June, so we have a lot to do. Check us out on Facebook, **Search Silver Lake Conference Center Work Projects** and join the group. Tell all of your SLCC friends to join too!!!
