

Welcome to Peace Works!

These files contain a full week's curriculum, for five different age groups.

The heart of the curriculum is the age-grouped Daily Activities, where very little has changed.

Peace Works includes an age-divided Daily Worship section.

- * There is a section for Older and Younger Youth, and one for Children and Intergenerational.
- * Cabin devotions for youth and for children are provided.
- * Music suggestions for each day, for all age groups, are found here.

Extras

- * These are supplemental activities divided by style and use, forming their own section.
- * Includes crafts, games, challenge course, multi-day, and science and nature activities.

Story Extras

- * These are ideas for books or videos to supplement, but are not required for activities.
- * You will find these at the end of each Daily Activity section
- * You will also find a complete listing of these in the "Extras" section.

Staff Training and Videos

- * Knowing that some learn visually, the Biblical and Theological section is summarized on video.
- * Videos have a short intro to each daily theme that is not in print.
- * Staff devotions are provided for you to use and designed to be peer led among your staff.

Art Files

- * Ideas for logos, T-shirt design, etc. are provided for you to use or adapt.
- * Each day has an icon that is simple and matches the daily them.

Peace Works also includes a "Peace Partner Packet" filled with resources for camp, church, and home.

- * This is a special section, just for Peace Works.
- * These files will be available on our website for anyone to access starting in May 2019.
- * You can refer families, churches, and campers to this resource for post-camp sharing.

For those familiar with InsideOut, you may notice these changes:

- * The worship ideas for each day are combined into the Daily Worship section.
- * Centering and Celebrating activities for worship are still provided as responses to the scripture.
- * Cabin devotions are found in the Daily Worship section.

Evaluation

- * A brief evaluation form is included at the end, and we are thankful for all input.
- * You can always email your thoughts and ideas to InsideOut@ChalicePress.com
