## bonus activity

Create an "eye of God" with two sticks and color string.

Hold the two sticks together so they form a cross and knot them well in the middle. Weave the yarn in a circle around the four arms of the cross, wrapping each stick when you get to it. Don't overlap the yarn, so that you create rows.

Switch colors of yarn to make stripes (tie on a new piece of yarn), and keep going until you get to the ends of the sticks, then knot the yarn on a stick.
