

Spring Action Weekend

at Silver Lake
April 26-28, 2019

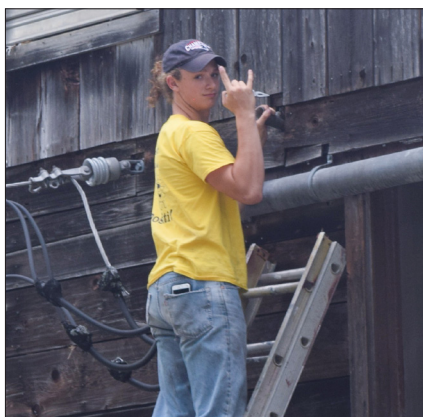

Pack up your work gloves and boots and head up to camp for a weekend of fellowship and hard work. Give back to Silver Lake, make some new friends, learn from former staffers, and earn community service hours. This is also a great opportunity to learn more about serving on Silver Lake's summer staff!

Open to youth in 9th through 12th grades, the weekend begins Friday, April 26, at 7 p.m. and runs through Sunday, April 28, at 2 p.m. Bring work clothes appropriate for the weather, bedding, toiletries, and a game to share.

Register online at www.silverlakect.org.

The cost for the weekend is \$45. A current health record is required. All Silver Lake rules apply.

Adults Wanted! We need you to make this Action a success!

Spend a weekend at beautiful Silver Lake, working in nature with a group of excited and dedicated young people. Teach your skills or just lend a hand!

There is no cost for adult volunteers, and donations are gratefully accepted to cover the cost of food. Please note your arrival and departure times and skills you can share.

RSVP by emailing slcc@ctucc.org.
